

Welcome to the new-look [UK Social Club](#) website. We've been listening to our users and have been busy working on some of the suggested changes.

Although the whole site design has changed we have managed to keep all our great features & functions. You can still Find Activities & Services in the usual way by clicking on the Menu item called ' [Activities & Services](#) ' then choosing the Region & Service you're looking for.

An exciting new item is the UK Social Club's [Events Calendar](#) where registered users can add their upcoming events & gatherings. The calendar is visible in the right hand column. If you haven't done so already you can register on the registration area of the

[Home](#) page, in the top left hand column.

We've expanded the section dedicated to Companies who are offering great discounts on their products & services for all UK Social Club's registered users. Click on the following link to take a look at our ' [Coupons & Discounts](#) ' page.

If you're new to UK Social Club and want to know more, please click [Here](#) .
